Additional ERDC Logo Ideas Needed

Since the first request for employee input on an “ERDC pin” in the Fall issue of the *ERDC Connection*, policy changes and additional taskings have changed our requirements for an ERDC logo. Some team members did not participate because they did not understand that the requirement was for a logo to represent the entire ERDC in a variety of ways, such as coins, pins, apparel logos and publications. Some good ideas were received, but more are needed. **Deadline for final submissions is Aug. 17.**

The original offer of a \$100 savings bond for the winning design has been extended in the hopes of getting more designs from which to choose. The final logo will be selected by the Executive Office from a list of recommendations provided by the selection committee, which includes team members from all ERDC sites.

For additional information, contact Billy Bridges, (601) 634-2504, or Debbie Quimby, (601) 634-3188.
